

## GENERAL CONDITIONS OF USE

### Welcome to Principle!

Principle is an application and web site developed by Navipro d.o.o., based on Dunajska cesta 21, Ljubljana, Slovenia. ("**Principle**", "**We**", "**us**" or "**ours**"), which offers its users a way to choose their representatives with the consensus of the majority. The principle protocol using consensus on the blockchain explores more effective ways to validate decisions and resolve conflicts.

We are aware of the importance of an individual's privacy, so we are committed to ensuring the highest quality of products and promoting awareness of personal data rights. In order to achieve this, we must all respect the following rules.

These General Terms of Use ( "**General Terms**") form a legally binding agreement between the end user of these services ("**You**", "**Your**", "**User**" or "**Users**") and Principle within which your use of the Software or your User Account online or offline, and a collection of services available on the website <https://blockchainvalet2018.blockblock.co/> and <https://www.principle.network/> and in our application and its updates on a computer or mobile device, as well as related services. (a common "**Services**" ) and affect your rights (the "**Agreement** ") and oblige anyone who is considered to be a user in accordance with the General Terms and Conditions, and for the whole website <https://blockchainvalet2018.blockblock.co/> and <https://www.principle.network/>, for all its components and subparts.

Please read these General Terms and Conditions and our Privacy Policy and other terms and conditions set forth in this document carefully, so you must agree with them and take them into account before you can use our Services and whenever you use them. WITH ACCESS OR USE OF ANY PART OF OUR SERVICES YOU ACKNOWLEDGE THAT YOU AGREE TO THE GENERAL CONDITIONS, INCLUDING WITH OTHER RULES, POLICIES, PROCEDURES AND RULES RELATED TO SERVICES WHICH MAY BE PUBLISHED PLEASANT.

By installing and / or using the Services you agree that you are bound by the General Terms and Conditions during the period of validity of these General Terms and Additional Agreements.

The digital environment and the law that governs it often change, so we reserve the right to change these General Terms at any time. Once this is done, we will provide you with a visual notice that will be posted on the site. Your continued access or any use of the Services in any way implies the consent and acceptance of existing and new conditions that may be published within the Services.

Services offered and under the supervision of Principle from their facilities in Slovenia and data related to the Services are domiciled in Slovenia. If you access or use the Services from other jurisdictions, you are acting at your own risk. We do not guarantee that the services are relevant or available for use in other locations. You are responsible for knowledge and compliance with applicable laws. If these laws are contrary to your use of the Services, you may not be able to use them.

### **ELIGIBILITY OF APPLICATION**

To some extent, we provide our services for free. Any person using the Services shall ensure that he is at least 18 years of age and is fully competent and entitled to receive and comply with the General Conditions, Obligations, Statements and Guarantees set forth in these General Terms and Conditions. You should not use the service if you have been convicted of a crime or you must register or register in the register as a sexual offender in any jurisdiction.

You can sign up with an email account that allows you to let us know about all the news about our services. If you do, you ensure that all registration information is true and accurate, and that you retain the accuracy of such information.

### **SAFETY**

Although we strive to promote a respectable user experience with functions such as dual matching, which allows users to communicate with each other only if inter-user interest is mutual, we can not and are not responsible for the behavior of users both online and offline. You agree that you will be careful in all interactions with other users, especially if you choose to communicate with them outside of the Services framework. You may not transfer your financial information (such as the ethereum address) to other users or send them money in any way.
